

STAY AHEAD OF THE GAME

WITH GLADI8TOR GAMING ENTERTAINMENT

Start generating revenue with Gladi8tor Gaming Entertainment. Gladi8tor brings the best in gaming entertainment and creates a host of opportunities for the airline and their partners to foster and expand customer loyalty with today's digital natives and gamers.

We are committed to providing passengers with a fantastic on-board gaming experience. To achieve this, the Gladi8tor platform includes a wide variety of games; a news channel with current, relevant gaming news; a video channel showing top class esports matches, tournaments, and championships; and an onboard digital shop delivering an innovative shopping experience.

As well as giving passengers the modern gaming experience they deserve, Gladi8tor creates opportunities for the airline and their partners to generate revenue through advertising and digital sales. We strive to include advertising packages that are relevant and interesting to gamers and which form an integral part of the gaming experience.

We understand that our customers are unique and have designed a modular platform that can be customized to meet specific needs. This includes branding opportunities for both the airlines and their partners.
